

The image shows several boxes of Benzomoe, a sleep aid product. Each box is filled with a variety of colorful, round pills in shades of red, yellow, green, blue, and pink. A white label is attached to each box, featuring the brand name 'Benzomoe' in a bold, dark blue font and the Dutch text 'Ondersteuning bij slapen' in a smaller, orange font below it. The boxes are arranged in a slightly overlapping manner, creating a sense of depth and abundance of the product.
